

8th CONFERENCE

BIOMASS AND ALTERNATIVE FUELS

EVENT PROGRAMME*

DAY I

6 OCTOBER (TUESDAY)

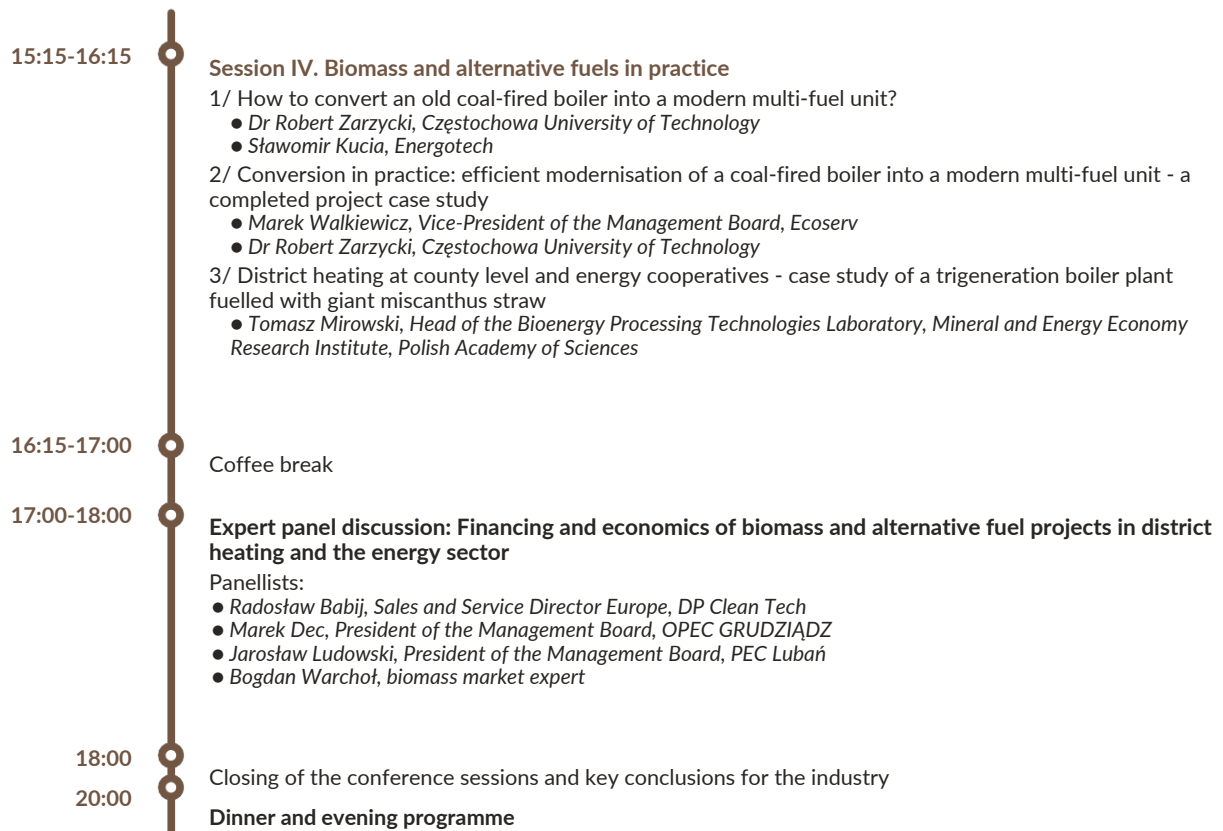

08:45-09:45	Participant registration, networking over coffee
10:00-10:10	Conference opening
10:10-11:20	Session I. Policy and regulations: biomass in the new strategy for the energy and district heating sectors 1/ District heating transformation strategy to 2040 - the role of biomass • Bogusław Regulski, Vice-President of the Management Board, Polish District Heating Chamber of Commerce 2/ RED III and sustainability criteria - what is changing for biomass combustion installations? • Agnieszka Kędziora-Urbanowicz, Member of the Management Board, Biocontrol 3/ Straw as a fuel for district heating - potential, limitations and installation requirements • Marek Dec, President of the Management Board, OPEC GRUDZIĄDZ
11:20-12:20	Expert panel discussion: Woody biomass in Poland - availability crisis or a change in the rules of the game? Panellists: • Piotr Poziomski, President, Polish Economic Chamber of the Wood Industry • Adam Sarnaszek, Managing Director, Biocontrol • Tomasz Śmilgiewicz, Country Manager Poland, Graanul Invest • Arkadiusz Szymański, Director of the Regulation, Heat Market and Support Systems Division, PGE Energia Ciepła • Ramunas Waszkiewicz, Market Development Manager, Baltpool
12:20-12:40	Coffee break
12:40-13:30	Session II. Fuel market for district heating and industry - demand, supply and new sources of supply 1/ RDF in district heating and industry • Marcin Joppek, Association of Producers of Refuse-Derived Fuels and Biomass 2/ Biomass and biodegradable fuels market in winter 2026/2027. Feedstock, prices and challenges • Bogdan Warchoń, biomass market expert
13:30-14:30	Lunch
14:30-15:15	Session III. Technology and innovation: how to burn fuels efficiently, optimise processes and manage a plant? 1/ Different biomass handling solutions: challenges and SERA's experience • Richard Legros, Managing Director, Sera Énergie 2/ Biomass under control - automatic sampling and moisture and volume measurement • Kamil Ostapski, Prometec representative in Poland
