

The entire industry in one place

9th PELLETT
FORUM

10-11 JUNE 2024

HOTEL NADMORSKI, GDYNIA, POLAND

TECHNOLOGIES | PRODUCTION | SALE | CERTIFICATION | MARKETING | LAW

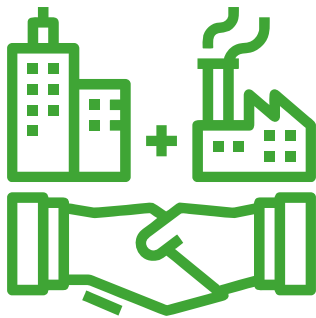

For the ninth time, Biomass Media Group, the publisher of the „**Biomass Magazine**” and „**Pellet Factory**”, owner of magazynbiomasa.pl portal, invites the largest domestic and European producers of wood pellets on the Pellet Forum - the most important event in Poland dedicated to the most crucial issues in the pellet market, but also integrating the industry and giving an opportunity to indicate new business horizons for pellet producers.

The Pellet Forum is a response not only to dynamic development of Polish pellet market but also to European and global trend indicating an increasing use of renewable energy sources in the heating sector. The first edition of the conference organized in 2016, confirmed the need for regular industry meetings and showed up that Polish pellet producers are interested in current trends in the industry, new technologies and establishing business contacts.
