9th Biogas **Congress** Conference & Expo

December 12-13, 2024 DoubleTree by Hilton Hotel & Conference Centre, Warsaw, Poland

CONFERENCE PROGRAMME

DAY 1 **DECEMBER 12 (THURSDAY)** 08:00-09:30 **Registration**, networking 09:30-09:45 Opening speech: Miłosz Motyka, Ministry of Climate and Environment: 🛎 Miłosz Motyka, Ministerstwo Klimatu i Środowiska 09:45-10:45 Session I: Policy and regulation 1/ The European biogas sector - where are we, where are we going? 🌡 Marta Kamola-Martines, European Biogas Association 2/EU agricultural policy - building sustainable and competitive agriculture Lerzy Plewa, PhD, Team Europe 3/ Biogas market in Poland 2024 🛔 Łukasz Tomaszewski, Ministry of Climate and Environment 4/ Permitting biogas projects 🛓 Radosław Wasiak, Wardyński & Partners 10:45-11:45 Panel discussion. 2024 - acceleration or stagnation? Moderated by Lech Bojarski, "Magazyn Biomasa" Panelists: Representative of the Ministry of Climate and Environment (TBC) Representative of the Ministry of Agriculture (TBC) Lirector General of the National Agricultural Support Center (TBC) Representative of the PSG (TBC) & Representative of the Gaz-System (TBC) Awards of "Magazyn Biomasa", coffee break 11:45-12:15 12:15-13:15 Session II: Economy and ecology 1/ Taxonomy direction - sustainable investments in the renewable gas sector Katarzyna Harpak, European Climate Foundation 2/ Ambition levels of decarbonization targets for selected sectors according to scientific methodologies Tomasz Gasinski, PhD, Deloitte Advisory 3/ Biogas plants business models & Paulina Walczak, Metropolis Doradztwo Gospodarcze 4/ Opportunities for the use of digestate in Poland & TBC 13:15-14:00 **Session III: Agriculture** 1/Barriers to biogas development in the rural areas Michal Ćwil, Gobarto 2/Agricultural biogas - market development trends 🛓 Adam Orzech, NaturalnaEnergia.plus 3/ Focus on substrate Let TBC 4/ Biogas as a driver to reduce the carbon footprint of agriculture **₿** TBC 14:00-15:00 Lunch 15:00-16:00 Panel discussion. Competitive, modern, sustainable - agriculture of the future. 🌡 Moderated by Jolanta Kaminska, "Magazyn Biomasa' Panelists: 🛓 Roman Czernicki, Galia Green Power 🛎 Łukasz Karmowski, Union of Polish Distilleries & Wojciech Styburski,, Agrointegration Representative of the Association for Sustainable Agriculture & Food in Poland

9th Biogas **Congress Conference & Expo**

16:00-17:00	Ϊ	Session IV: Technologies, production optimization, substrate management
10.00-17.00	ľ	 1/ Tanks - a key building block for agriculture, biogas, biomethane. How to choose a durable and tailored solution Piotr Zajgc, A-Consult
		2/ Solving ammonia problems in the fermentation process
		Ángel Borruey, Ferro Bio 3/Lease of TEDOM cogeneration units - reducing risks and costs of biogas plant
		construction & Krzysztof Maciąg, Tedom Poland
		 4/ Solutions to increase the proportion of substrate in the form of manure and chicken manure in biogas and biomethane plants. Methodo know-how. <i>Kacper Tetera, Methodo Poland</i>
17:00-18:30	¢	Session V: Investment financing
		 Possibilities of financing the development of biogas plants in Poland – overview of available ones support programs and examples of completed investments
		Daria Górna oraz Michał Szczepański, Edoradca Discussion panel. Subsidies, credit, Ioan?
		🌢 Moderator: Beata Klimczak, "Biomass Magazine"
		Panelists: Artur Wronkowski, A-RES
		▲ Zsuzsanna Iwanicka, BOŚ Bank ▲ Representative of the Credit Agricole (TBC) ▲ Kamil Radziwon, Santander Bank Polska
18:30	6	Aperitif and networking
20:00	¢	Gala dinner
DAY II		DECEMBER 13 (FRIDAY)
10:00-11:00	6	Session VI: Biomethane in Poland and around the world
10.00-11.00	T.	
10.00-11.00	Ĭ	 1/ Biomethane – a new opening? Jakub Safjański, Confederation Lewiatan
10.00-11.00		1/ Biomethane – a new opening?
11:00-12:00		 1/ Biomethane – a new opening? <i>a Jakub Safjański, Confederation Lewiatan</i> 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements
		 Biomethane – a new opening? Jakub Safjański, Confederation Lewiatan Making biomethane affordable for buyers & profitable for developers with yield improvements K. R. Raghunath, KIS Group Discussion panel. Biogas as a product – wide application possibilities in the economy.
		 1/ Biomethane – a new opening? Jakub Safjański, Confederation Lewiatan 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements K. R. Raghunath, KIS Group Discussion panel. Biogas as a product – wide application possibilities in the economy. Moderator Maciej Roik "Magazyn Biomasa" Panelists:
	ľ	 1/ Biomethane – a new opening? Jakub Safjański, Confederation Lewiatan 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements K. R. Raghunath, KIS Group Discussion panel. Biogas as a product – wide application possibilities in the economy. Moderator Maciej Roik "Magazyn Biomasa" Panelists: Miłosz Krzymiński, KWE AB Energy Polska Bartosz Safiejko, Strategy&
	V	 1/ Biomethane – a new opening? <i>Jakub Safjański, Confederation Lewiatan</i> 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements <i>K. R. Raghunath, KIS Group</i> Discussion panel. Biogas as a product – wide application possibilities in the economy. <i>Moderator Maciej Roik "Magazyn Biomasa"</i> Panelists: <i>Miłosz Krzymiński, KWE AB Energy Polska</i>
	0	 1/ Biomethane – a new opening? <i>Jakub Safjański, Confederation Lewiatan</i> 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements <i>K. R. Raghunath, KIS Group</i> Discussion panel. Biogas as a product – wide application possibilities in the economy. <i>Moderator Maciej Roik "Magazyn Biomasa"</i> Panelists: <i>Miłosz Krzymiński, KWE AB Energy Polska</i> <i>Bartosz Safiejko, Strategy&</i> <i>TBC</i>
11:00-12:00	men	 1/ Biomethane – a new opening? <i>Jakub Safjański, Confederation Lewiatan</i> 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements. <i>K. R. Raghunath, KIS Group</i> Discussion panel. Biogas as a product – wide application possibilities in the economy. <i>Moderator Maciej Roik "Magazyn Biomasa"</i> Panelists: <i>Miłosz Krzymiński, KWE AB Energy Polska</i> <i>Bartosz Safiejko, Strategy&</i> <i>TBC</i> bide event:
11:00-12:00	men	 1/ Biomethane – a new opening? <i>Jakub Safjański, Confederation Lewiatan</i> 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements. <i>K. R. Raghunath, KIS Group</i> Discussion panel. Biogas as a product – wide application possibilities in the economy. <i>Moderator Maciej Roik "Magazyn Biomasa"</i> Panelists: <i>Miłosz Krzymiński, KWE AB Energy Polska</i> <i>Bartosz Safiejko, Strategy&</i> <i>TBC</i> Side event: ts - code of good practice. Workshop for investors hosted by Instytut Ochrony Środowiska
11:00-12:00 Biogas investr	men	 1/ Biomethane - a new opening? Jakub Safjański, Confederation Lewiatan 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements K. R. Raghunath, KIS Group Discussion panel. Biogas as a product - wide application possibilities in the economy. Moderator Maciej Roik "Magazyn Biomasa" Panelists: Miłosz Krzymiński, KWE AB Energy Polska Bartosz Safiejko, Strategy& TBC Side event: ts - code of good practice. Workshop for investors hosted by Instytut Ochrony Środowiska II:30-14:00
11:00-12:00 Biogas investr 12:00-12:30	men	 1/ Biomethane – a new opening? <i>Jakub Safjański, Confederation Lewiatan</i> 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements <i>K. R. Raghunath, KIS Group</i> Discussion panel. Biogas as a product – wide application possibilities in the economy. <i>Moderator Maciej Roik "Magazyn Biomasa"</i> Panelists: <i>Miłosz Krzymiński, KWE AB Energy Polska</i> <i>Bartosz Safiejko, Strategy&</i> <i>TBC</i> Side event: ts - code of good practice. Workshop for investors hosted by Instytut Ochrony Środowiska 11:30-14:00 Coffee break
11:00-12:00 Biogas investr	men	 1/ Biomethane – a new opening? Jakub Safjański, Confederation Lewiatan 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements K. R. Raghunath, KIS Group Discussion panel. Biogas as a product – wide application possibilities in the economy. Moderator Maciej Roik "Magazyn Biomasa" Panelists: Miłosz Krzymiński, KWE AB Energy Polska Bartosz Safiejko, Strategy& TBC Side event: ts - code of good practice. Workshop for investors hosted by Instytut Ochrony Środowiska I:30-14:00 Coffee break Biomethane in Ukraine Y Biomethane in Ukraine – current status and future plans
11:00-12:00 Biogas investr 12:00-12:30	men	 1/ Biomethane – a new opening? Jakub Safjański, Confederation Lewiatan 2/ Making biomethane affordable for buyers & profitable for developers with yield improvements. K. R. Raghunath, KIS Group Discussion panel. Biogas as a product – wide application possibilities in the economy. Moderator Maciej Roik "Magazyn Biomasa" Panelists: Miłosz Krzymiński, KWE AB Energy Polska Bartosz Safiejko, Strategy& TBC Side event: ts - code of good practice. Workshop for investors hosted by Instytut Ochrony Środowiska It:30-14:00 Coffee break Biomethane in Ukraine Y Biomethane in Ukraine – current status and future plans Maksym Sysoiev, Dentons Discussion panel. Ukrainian potential for biomethane production and export.
