

## EVENT PROGRAM

### DAY 1

**MAY 20 (TUESDAY)\***

09:45

#### Opening of the Biomethane Congress

👤 Maciej Kosiński, Maciej Roik, Magazyn Biomasa

10:00-10:20

#### Opening lecture: 2025 – Ready for biomethane? Market development assessment

👤 Jolanta Kamińska, Magazyn Biomasa

10:20-11:20

#### MARKET OVERVIEW: REGULATIONS, SUPPORT SYSTEM, INVESTMENTS

Market development forecast 2025-2026: is legislation keeping up with the market? Legal changes for biomethane in Poland; Support for biomethane installations; National strategy for the biomethane market; Investment prospects – which sectors are already investing in biomethane, and which are planning investments? Biomethane in the gas grid – when? Market development barriers.

##### Discussion panel with:

👤 Sławomir Hinc, GAZ-SYSTEM, Polish Chamber of Biogas and Biomethane  
👤 Szymon Paweł Moś, Polish Gas Company  
👤 Łukasz Tomaszewski, Ministry of Climate and Environment  
👤 Jakub Safjański, Lewiatan Confederation  
👤 Czesław Siekierski, Ministry of Agriculture and Rural Development (TBC)  
👤 Marcin Sienkiewicz, Polish Power Exchange  
👤 Natalia Walczak, European Biogas Association

11:20-11:50

#### Coffee break

11:50-12:10

Greenfield & brownfield: from biogas to biomethane

👤 Bjorn Blankespoor, BTS Biogas

12:10-13:00

#### BIOMETHANE IN THE GAS NETWORK

Challenges in injecting biomethane into the gas grid and how to solve them; Regulatory changes; Strategies of gas network operators regarding Biomethane; If not the gas grid, then what? Possible market development directions; Case studies – Europe and Poland.

##### Discussion panel with:

👤 Remigiusz Adamiak, Polish Gas Company  
👤 Paweł Filanowski, PhD, DSc, Bioan  
👤 Representative of Danish Industry  
👤 Representative of GAZ-SYSTEM  
👤 Representative of Energinet  
👤 Representative of Nature Energy

Moderator: Jolanta Kamińska, Magazyn Biomasa

13:00-13:10

Biogas and biomethane in agri-food sector decarbonization – practical examples

👤 Tomasz Kajdan, Biowatt S.A.

13:10-14:10

#### BIOMETHANE AND DISTRICT HEATING DECARBONIZATION

Biomethane in the district heating network – opportunities, perspectives, implementations; Integration with existing infrastructure, possible development scenarios; Costs and financing investments.

##### Discussion panel with:

👤 Sylwia Koch-Kopyszko, Green Gas for Climate Association  
👤 Sławomir Szafranski, Galia Green Power  
👤 Jakub Ufnal, Biogas East  
👤 Representative of Polish District Heating Chamber of Commerce (TBC)  
👤 Representative of Veolia Group (TBC)

Moderator: Maciej Roik, Magazyn Biomasa

14:10-15:10

#### Lunch

15:10-16:20

#### BIOMETHANE IN PRACTICE

Practical aspects of investments – project, construction, operation; Location and substrate sourcing – new challenges for investors; Technology selection, management, and maintenance of installations.

1/ Industrialization and standardization, a new era for biogas upgrading

👤 Jean-René Pouzin, Prodeval

2/ Danish amine technology of biogas upgrade: highest purity of biomethane for less operational costs

👤 Oleksandra Gumeniuk, Ammongas

13:15-14:15  
Biomethane  
in the grid –  
the Danish road  
to success

Exhibitor Zone,  
Danish booth

	3/ News from the biogas cogeneration market – innovations, practical solutions for today and the future of cogeneration units 👤 Krzysztof Maciąg, Tedom Poland
	4/ Propane enrichment technology for biomethane – a proven method to maintain fuel calorific value 👤 Świętosław Kariuk, I-Maximum
16:20–16:30	Funding opportunities for biomethane plants 👤 Wojciech Nawrocki, Metropolis Doradztwo Gospodarcze
16:30–17:30	<b>FINANCING STRATEGIES FOR BIOMETHANE PROJECTS IN POLAND</b>  Are biomethane plants unbankable? Loans, grants, and subsidies; Green bonds, cooperations, and partnerships – financing tools for projects; Financial sector and economic decarbonization  <b>Discussion panel with:</b> 👤 Zsuzsanna Iwanicka, Bank Ochrony Środowiska 👤 Morten Kjøller, EIFO 👤 Janusz Markowski, Lewiatan Confederation 👤 Representative of Santander Bank (TBC) 👤 Representative of KUKE (TBC)  Moderator: Beata Klimczak, Magazyn Biomasa
17:30	<b>Aperitif &amp; networking</b>
19:00	<b>Gala dinner</b>

## DAY 2

MAY 21 (WEDNESDAY)

09:45–10:00	<b>Opening of the second day of the Biomethane Congress</b>
10:00–11:00	<b>DISTRIBUTED OR CENTRALIZED? THE BIOMETHANE MARKET IN POLAND</b>  Large or small biomethane plants – market development directions; Substrate sourcing and environmental standards; Biomethane – emissions across the entire production proces; Biomethane trading.  <b>Discussion panel with:</b> 👤 Prof. Jacek Dach, PhD, DSc, Poznań University of Life Sciences 👤 Krzysztof Jurkiewicz, Biogas System 👤 Tomasz Kajdan, Confederation Lewiatan 👤 Representative of Polish Biogas Group (TBC) 👤 Representative of Romgos Bioenergia (TBC)
11:00–11:30	<b>Coffee break</b>
11:30–12:30	<b>TECHNOLOGY SESSION</b>  1/ Presentation by Mavitec Green Energy B.V. 2/ TBC
12:30–13:30	<b>BIOMETHANE IN TRANSPORT</b>  Reducing CO <sub>2</sub> emissions in the transport sector – the role of Biomethane; BioLNG and bioCNG – case studies; The future of public transport and the biomethane market; Technology and infrastructure.  <b>Discussion panel with:</b> 👤 Zygmunt Gzyra, National Chamber of Biofuels 👤 Jacek Nowakowski, Polish LNG and bioLNG Platform 👤 Paweł Wojna, Municipal Services Company in Śrem 👤 TBC
13:30–13:45	Summary of the 8 <sup>th</sup> Biomethane Congress
14:00	<b>End of the Congress</b>

\*The event program is subject to change.
