

7th CONFERENCE

Biomass and Alternative Fuels in Heating Sector

EVENT PROGRAM*

DAY I

9 OCTOBER 2025 (THURSDAY)

- 09:00-10:00** ○ **Registration, networking & coffee**
- 10:00-10:15** ○ **Conference opening**
👤 *Lech Bojarski, Magazyn Biomasa*
👤 *Michał Litwiniuk, Mayor of Biała Podlaska*
- 10:15-11:15** ○ **SESSION I: Transformation of district heating and the role of biomass**
1/ Biomass in Poland's energy strategy 2030-2040
👤 *Tomasz Świetlicki, Director of the Regulatory Division, PGE S.A.*
2/ Changes in the wood industry and biomass sector
👤 *Piotr Garstka, Polish Chamber of Wood Industry*
3/ New obligations for heat and biomass suppliers for energy purposes under the new requirements of RED III Directive
👤 *Agnieszka Kędziora-Urbanowicz, Board Member, Biocontrol*
- 11:15-12:00** ○ **Panel discussion: Biomass in Poland – support, perspectives, investments, challenges**
Moderator: Jolanta Kamińska, Magazyn Biomasa
Panelists:
👤 *Bartosz Bezubik, CEO, Plywood Industry Plant BIAFORM SA*
👤 *Sebastian Paszkowski, CEO, Biała Podlaska Heating Plant*
👤 *Bogusław Regulski, Vice-President of the Board, Polish Chamber of District Heating*
👤 *Adam Sarnaszek, CEO, Polish Pellet Council*
- 12:00-12:15** ○ **Magazyn Biomasa Awards Ceremony**
- 12:15-12:30** ○ **Coffee Break**
- 12:30-13:30** ○ **SESSION II: Biomass and alternative fuels in practice**
1/ Biomass as an important element of the modern energy mix in Veolia term Group
👤 *Magdalena Ruszniak, CEO, Veolia Term*
2/ Agro biomass – practical and economic aspects
👤 *Jarosław Ronowicz, CEO, OPEC-TERMO*
3/ Exotic Biomass – Market trends
👤 *Wojciech Rogowski, Biomass Department General Manager, G7 Group*
- 13:30-14:45** ○ **SESSION III: Technologies for district heating**
1/ How to produce more green heat without additional investments – cooperation between CHP and Power-to-Heat in a no CAPEX model
👤 *Filip Paweł Jankun, CEO, Horizons Power-to-Heat*
2/ Co-combustion and combustion of biomass in WR and OR boilers
👤 *Robert Zarzycki, industry expert, Ecoserv*
3/ ENERGIKA drives the future – the first biomass cogeneration plant in Poland using ORC
👤 *Ewelina Szamałek-Garcarek, Operations Director, Commercial Procurator, ENERGIKA*
4/ A path through energy transformation: from infrastructure to digitalization
👤 *Paweł Kupczak, CEO, Nowy Sącz Municipal Power Plant*
- 14:45-15:45** ○ **Lunch**

* The program is subject to change

October, 9-10 2025, Hotel Zamek, Janów Podlaski, Poland

7th CONFERENCE

Biomass and Alternative Fuels in Heating Sector

15:45-16:30

Panel discussion: Waste fuels – a missed opportunity?

Moderator: Lech Bojarski, Magazyn Biomasa

Panelists:

- 👤 Marcin Borek, Director of Local Government Investments Department, Polish Development Fund
- 👤 Łukasz Jasiewicz, Manager, Recykl S.A.
- 👤 Tomasz Kasprzyk, CEO, PGO Kielce, Association of Waste and Biomass Fuel Producers

16:30-17:30

SESSION IV: Legal, financial and environmental aspects

1/ Banking support for the energy transformation of heating systems

- 👤 Wojciech Kurdziel, Manager for Environmental Policy, ESG and Taxonomy, BOŚ Bank

2/ From waste to soil improver or fertilizer – utilization of ash from biomass combustion

- 👤 eng. Jan Kolbusz, Owner, Mikrobiotech

17:30-18:15

Panel discussion: regulatory challenges for district heating

Moderator: Daria Lisiecka, Magazyn Biomasa

Panelists:

- 👤 Paweł Kupczak, CEO, Nowy Sącz Municipal Power Plant
- 👤 Monika Milewicz, Member of The District Heating Team, Lewiatan Confederation
- 👤 Magdalena Ruszniak, Board Member, Veolia term
- 👤 Józef Sołtys, CEO, PTH Intermark

18:15

End of the conference sessions

18:15-20:00

Free time

20:00

Networking Dinner

DAY II

OCTOBER 10, 2025 (FRIDAY)

9:15

Meeting in front of the hotel

9:30

Departure to Biała Podlaska

10:00-12:00

Visit to a biomass heating plant PEC Biała Podlaska

12:00

Return to the hotel, closing of the conference

* The program is subject to change

October, 9-10 2025, Hotel Zamek, Janów Podlaski, Poland
